Violations

UNION SECURITY VIOLATION

Failure to report the first employment of a non-union performer within 15 business days following the session or hiring a member not in good standing or hiring a “must-join” can subject the signatory to a \$320 fine for each occurrence.

PREFERENCE VIOLATION

Hiring a non-professional where the work could have been performed by a union member (or, in a RTW state, by qualified professional performer), can subject the signatory to a \$300 fine for each occurrence.

How to “Right to Work” Laws Affect Signatory Employers

Various states have Right to Work (RTW) laws, which prevent employers from requiring union membership as a condition of employment. Nevertheless, a company that is signatory to the SAG-AFTRA TV or Audio Commercials Contracts must adhere to all the terms of those agreements and pay union rates wherever a principal performer is employed.

With respect to Extra performers, certain areas of the country are excluded from all the requirements and provisions of the Commercials Contract, [see page 5](#) for details

PLEASE NOTE

When hiring in any of the Preference Zones, a signatory must usually give preference to **qualified professional performers**. There is a list of exceptions in the Commercials Contract. (See Schedule B.II Professional Recognition—Preference of Employment –Principal Performers). Also, in non-Right to Work states, a principal performer must be either a union member in good standing¹ or on their first job under a SAG-AFTRA contract. In general, a “qualified professional performer” is either a member of SAG-AFTRA or has had employment as a motion picture actor within the last 3 years. In Right to Work states within the Preference Zones, the obligation is to give preference in hiring to qualified professional performers without regard to their membership status.

A signatory working in the United States must always file a Taft Hartley report with the union if they hire a non-member as a principal within 15 days of the non-member's first day of work. (See Schedule B.I.E. Union Security Principal Performers) On that report, if working within a Preference Zone, the signatory can also indicate the basis for a waiver of the Preference of Employment requirements. The most frequently used basis for a waiver of the Preference of Employment requirements is a performer with sufficient experience and training to become a professional performer.

In Right to Work states, if working outside the applicable Preference Zone, the signatory can hire without regard to professional status or union membership, the only obligation is to report to the union if a non-member is hired as a principal performer.

In non-Right to Work states, if working outside the applicable Preference Zone, the signatory must hire, for a principal role, a union member in good standing or someone working their first job under a SAG-AFTRA contract and file a Taft Hartley report if hiring a non-member, but there is no obligation to meet the contractual Preference of Employment requirements.

Important

The SAG-AFTRA Commercials Contract does not apply to Extras engaged outside these zones.

Producers hiring outside the Extras zones may engage non-union performers at mutually acceptable rates and terms, and are not obligated to report those employments to the union, for any reason. Scale wages do not apply and no P&H contributions are due. Wage and hour laws will apply.

Even within the Extras Preference Zones only up to 45 extras (excluding Stand-Ins) on each production day are required to be covered by the Commercials Contract. Beyond 45 there are no contractual obligations with respect to professional status, union membership, or reporting to the union.

In a Right to Work state, if working within an Extras Preference Zone, when hiring the first 45 extras one must give preference to those performers who have made themselves available for work as a professional performer but without regard to union membership. If a non-member, the signatory must file a Taft Hartley report with the union within 15 days of the non-member's first day of work.
